SARAH KEIM, Treas.

ORAL OAKS, VA.

Our little church in Lunenburg Co., Va., is still trying to do something in the Master's cause. Brother D. C. Moomaw of Roanoke, Va., came to us on May 6, and continued his meetings until Sunday, the 9th, and closed with a communion service. Our church was greatly refreshed and encouraged, and while there were no accessions to the fold, the cause has been built up and the members strengthened. Several of our prominent members have died in the last two years and they were painfully missed at our tables. We ask the prayers of the brotherhood for our little church. Yours in the hope of life.

S. H. LOVE.

ROSENA, CALIF.

The tabernacle was well decorated with flowers and evergreens. An excellent choir an organ and organist, good music. We dedicated this tabernacle as the first Brethren church in Rosena, Calif. The tabernacle is 16 x 24, 9 feet high on the sides, 17 feet to the ridge pole, and a good floor in it. A collection was taken up to get a Bible and Brethren literature for Sunday-school. It was quite a good collection. This tabernacle was
